## Bob Enders, Photographer

Our August newsletter is provided to us by club photographer Bob Enders. When I told Bob that we could not afford the cost of another newsletter this season, he responded to me that he would cover all expenses. Please be sure to thank him when you see him, or

send him a thank you note.

Also thank Bob for being a dedicated volunteer at the Flint Tennis Club for

decades, and having served multiple years as our club president.

Take a few minutes the next time you visit our club to admire the many photo boards he has on display. Bob attempts to take photos at every club event, and of every FTC member.

## Do These Guys Work Here? Say Thank You.

This is how most of you see **Dan Daunt** as he plays tennis at least 5 days a week. I see Dan before most of you arrive and after

you leave as he helps maintain our facilities, on the courts and off. He should be receiving a weekly check, but instead he accepts only an occasional thank you **Gerry Klees** is another contributor who puts many hours into FTC as he organizes

match play for up to twelve of us at a time. This year he has also taken on our club tournaments.

## Thursday Potlucks Include Free Clinics

Club Pro, Bob Chunn continued running free instructional clinics this summer at our Thursday night potlucks. Members who arrive at 5:30 will have an option to play tennis on empty courts or take part in the clinics.

Club pro Bob Chunn instructing some of his favorite students at one of our Thursday night potlucks.

Bob is also available for private and small group lessons. Call him at 810-845-3028.

## Meet Our Newest New Member Rex Owenby

Rex was recruited to play at the Flint Tennis Club by Jim Bruton who played with him at Genesys. He recently started playing tennis again after taking a seventeen year break from his successful senior year at Clio High School where he won the Most Dedicated Player award. As the singles player with the best winning record in 2000 Rex led his team to their best overall record in nearly a decade and a third place finish at the Division II Regional . Rex lives in Clio, but works third shift nearby so he comes to our club after putting in a full day's work. Please give him a warm welcome.
